This purpose of the form is to aid in the communication between the residents of Langhorne Borough and their Police Department. By filing this form with the Police Department the resident is making the Police Department aware that they will be out of town for a period of time over three days. While they will be out of town, the Police Department will attempt to check the home. This will not only aid security, but might also provide a check against other unforeseen problems, (such as broken pipes, deliveries left out in the open).

By filing this Authorization you are permitting the Police Department to enter onto your property to conduct inspections. It is understood and acknowledged that the Police Department cannot guarantee that it can perform inspections while you are gone and cannot guarantee the security of your residence or the safeguard of your property.
