SIGN POLICY FOR MAYOR'S PLAYGROND FENCE

- All approved Langhorne Borough event signs will be allowed on the wrought iron fence.
- All signs are allowed to be hung on the iron fence for up to three weeks prior to the event. The day after the event, the sign must be removed.
- All signs hung on the iron fence must be placed after the first tree on either side of the entrance moving outwards. This ensures the entrance to the park remains uncluttered.
- Recommend are banner sizes, 4"X2.5", 6"X2.5" or 8"X3.5". Signs must not exceed 8 feet in length.
- Plastic ZIP ties must be used instead of wire to attach the sign to the iron fence. *Use enough ties so the middle of the sign does not sag.
- Signs must be professional looking. No wooden signs, painted on sheets, etc.
- Signs will be removed if these rules are not followed. If that has happened, you may pick up your sign at Borough Hall. Please call the Borough office you have any questions.
